

A Little about the Laconia Rotary Club:

Rotary is a worldwide organization of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. Approximately 1.2 million Rotarians belong to more than 31,000 Rotary clubs located in 166 countries. Our Rotary club membership represents a cross-section of the community's business and professional men and women. Every Rotary club meets weekly and is nonpolitical, nonreligious, and open to all cultures, races, and creeds.

The main objective of Rotary is service - in the community, in the workplace, and throughout the world. Rotarians develop community service projects that address many of today's most critical issues, such as children at risk, poverty and hunger, the environment, illiteracy, and violence. We also support programs for youth, educational opportunities and international exchanges for students, teachers, and other professionals, and vocational and career development.

Our Rotary motto is Service above Self.

Did you know that 100% of the money from community fundraising activities by the Laconia Rotary Club goes back into the local community? All of the national and international donations and administrative costs are funded through other activities and sources.
